How to Get Started Fundraising

1. **Contact Tin Can Kettle Corn** - Reach out to tincankettlecorn@gmail.com to notify us of your fundraising campaign. Will be available to assist you with any questions you may have about the products or fundraising.
2. **Determine Team/Group Leader** – This will be the person who handles collecting all forms and funds from each person and works with Tin Can Kettle Corn to place team/group order.
3. **Determine Team/Group Goal** – also consider individual goal for each person. 10 bags per person is a great starting goal.
4. **Set Start/End date for fundraiser** – Usually 2 weeks is a good timeframe to set for this fundraiser.
5. **Sales Pitch** -Explain fundraising to team/group and ensure everyone has their “sales pitch” as to why they are fundraising. **Sample:** *Hi my name is Sam and I am with Team XXX and we are selling popcorn to raise funds to help us purchase uniforms for our upcoming tournament in TN. 50% or \$5 of every bag sold goes directly towards our team goal. Can I interest you in a bag or two? There are 6 amazing flavors to choose from. My personal favorite is Movie Butter!!*
6. **Fundraising Packets** - Distribute fundraising packet to each person which should include flavor sheet and order form. Be sure to determine where check should be made out to if necessary.
7. **Collect Order Forms/Funds** - Once Team/Group Leader has collected all completed forms, he/she will complete the Fundraising Tally Form and send to Tin Can Kettle Corn directly to place order and schedule delivery of products. Team/Group will keep the 50% raised and remaining 50% payment will be expected for entire campaign before popcorn is delivered. Payments can be made via Venmo or Check/Cash.
8. **Delivery of Popcorn** – Popcorn will be delivered or picked up by Team Leader who will determine date/time products will be delivered to team/group to be distributed to individual supporters.
